Beat Lab 7 Productionz recently released a compilation album, featuring many anointed artists in ministry. This album entitled "Music Meets the Truth" was released February 7th, FREE FOR DOWNLOAD. Since then, over 14,000 people have downloaded this free and powerful ministry tool (not including all the many people who have burned copies for friends). "Music Meets the Truth" has received coverage and promotions through several online communities, local and major radio stations, as well as DJs and a couple Christian magazines. There's a reason why so many people are downloading. From the creative rhymes, catchy hooks and head-knocking beats to the messages of Truth and Life embedded in the production, this album is a hot pick for anyone who loves music delivered in a positive, urban/hip-hop format. If you still haven't downloaded, check it out at www.beatlab7.com !

Album features: Crucial, Saint Jon, 3D Remedy, Dae Lee, Phat CAT, Omega Spark, God'z-illa, Valerie Armfield, Soul Fire, RICON, Tawana, J-Real, and Dreama

Beat Lab 7 Productionz is also taking submissions for "Music Meets the Truth" 2008! 10 artists will be picked to feature on the next free compilation which will be heavily promoted in order to get an even bigger response! There have been additional pre-selected artists who will feature on the compilation as well, including Urban D of Fla.vor Alliance, Zee and Chris MC of Fresh Digress!
