Reach Records needs your help, read for details.

As summer rolls around the Reach fam will be taking some mission trips around the world, bringing the gospel to the globe! We are priviledged to be a part of the Lord's work in building up his church, impacting lives overseas.

Lecrae, Trip Lee, Sho and more of the Reach family will be going to different spots...the underground church in East Asia, Zambia, Indonesia, and the jungles of Honduras. In some places we are traveling its illegal to be a church, some places are deep in the mountains, far from the comforts of modern living where many have never heard of Jesus. We want to continue to live out a world vision as God allows us to travel to different countries.

Our prayer is that God would be glorified and use us to build up the body of Christ. We want to see people overseas embrace the role of spreading the gospel and making disciples. Christ did it with His small group of men and they carried on the legacy. Now we have the chance to be a part of continuing the movement by strengthening the church to impact the world!

We asked for your support last year and the community responded to cover all our needs. This year, we have more trips and more people going. Please pray about giving to ReachLife so that we can have the resources to go to support the body of believers across the globe.

If you would like to donate to us please go to www.reachlife.org and consider giving either monthly or a one time gift.

Thank you for your help and support!
