On the heels of the latest 116 Clique album, 13 Letters, comes another groundbreaking offering from 116. We mixed up hip hop and some epic rock to bring you a diverse album that illustrates the beauty of the diversity in the body of Christ. When cultures collide your life gets AMPED!

Featuring Sho, Trip Lee, Tedashii and Lecrae on a special edition EP (6 songs) that includes amped up remixes like Cash or Christ/Fanatics and also some brand new tracks no one has heard before. Stay tuned for some more preview tracks coming this week...the album is getting mastered as you read this. (rumor has it you can go over to our media section to preview one of the tracks right now...)
