Lecrae's chart topping album 'Gravity' has cracked the 100,000 sales mark after it's release 3 weeks ago! At this rate and the kick off of the Unashamed Tour next week, the album should easily break 200,000 by the end of the year. Make sure you enter to win tickets to the Unashamed Tour here . Lecrae isn't slowing down either. A music video just released where Lecrae is the feature with Family Force 5. Look for Lecrae doing big collaborations in the coming months, including one with
