Reach Records

is also going to have a video curriculum that will come later in 2007 through

ReachLife Ministries

. A trip back to the villages in Honduras is planned for June of 2007, along with trips to Zambia, Kenya, and East Asia.

ReachLife is also producing a gospel tract with urban flavor. It will be a written booklet with a bonus CD featuring about 4 songs they have done with an evangelistic lean. Not new songs just ones that are evangelistic.
