The most anticipated album of the year, from Reach Records recording artist Lecrae, *Gravity* was released today and as projected, it's presence on the iTunes charts has been made.

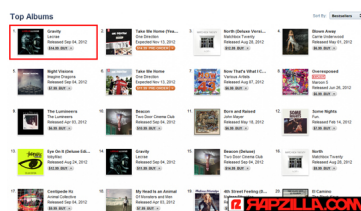

*Gravity*

(Deluxe Version) debuted and peaked #1/#2 (Regular Version) on the iTunes Hip Hop/Rap charts, and #2 on Top Albums Overall for iTunes.

Where do you think the album will debut on the Billboard chart next week? How many weeks do you think it will hold these spots? Purchase the album now on iTunes: [Deluxe Version](#) - [Regular Version](#)

Now that you have the album, what is your favorite song on *Gravity*? Comment below.

## UPDATE:

For the first time in Christian Hip Hop history, *Gravity* is now #1 on iTunes Overall Top Albums!
