MC Jin recently dropped the artwork for his 'Brand New Me' EP yesterday. He also announced that he is gearing up to release the project on December 12, 2012. A music video for the previously released first single “[Brand New Me](#)” will drop with the project simultaneously.

You would think that after releasing ‘[Crazy Love Ridiculous Faith](#)’, rapping in the [BET 106 and Park Freestyle Friday Hall of Fame Cypher](#), collaborations with Da T.R.U.T.H, The Ambassador, R-Swift, Swoope and Bizzle, and performing at Legacy Conference in Chicago and Flavor Fest in Tampa Jin would call it a year. Instead the prolific emcee has decided to end 2012 with a bang by releasing a new project.

Who would you like to see featured on the EP?
